ABOUT JEBWIZARD PUBLISHING

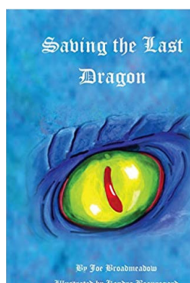

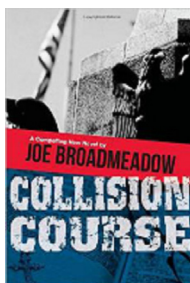

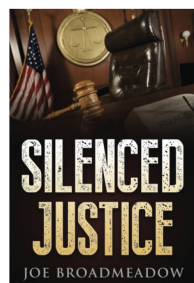

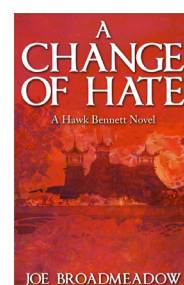

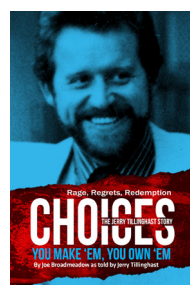

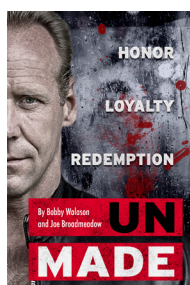

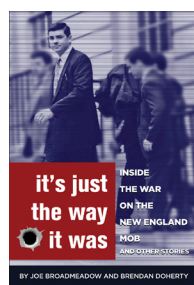

JEBWizard Publishing takes a hybrid approach to the ever-changing world of publishing. With new technologies, authors can now take control of their creative work and manage their own publication process.

We have the experience, resources, and skills to help authors achieve these goals.

We work with our authors to design, format, edit, and publish in print, ebook, and audio formats. Our services run the gamut from full project management to any aspect required by the author to achieve their publication goals. We then apply state-of-the-art marketing tools to promote your work to the largest potential audience.

Our name goes on the book as the publisher, giving us a vested interest in the author's success. Our joint efforts ensure excellent results.

We tailor our services to meet the needs of each individual client. If you've ever considered writing a book or have a manuscript you've been trying to get published, we are actively seeking new submissions for consideration. Contact us to discuss your specific needs and craft a solution to bring your story to the world.
