

I may piss a few of you off by posting this. We can handle it one of two ways: discuss it like adults or you can unfriend me. Your choice. You have your opinion and I have mine. Before anyone gets their panties in a wad, I add that my ancestors were here, LONG before the Anglos!!

My ancestors, learned the language and worked and never once did I hear any of them trash America. They became citizens, were proud to be one and some served in the military! I am nice to everyone and I have no problem with anyone coming here and making a good life for themselves and their family, BUT if you are coming here and expect us to become what you just came from, then that's not happening! Return and work on your country and make it better where you can be proud to live in it.

Muslims who want to live under Islamic Sharia law were told on Wednesday to get out of AMERICA, as the government targeted radicals in a bid to head off potential terror attacks.

“IMMIGRANTS, NOT AMERICANS, MUST ADAPT.”

Take it or leave it. I am tired of this nation worrying about whether we are offending some individual or their culture. Since the terrorist attacks, we have experienced a surge in patriotism by the majority of Americans. This culture has been developed over two centuries of struggles, trials and victories by millions of men and women who have sought freedom.

We speak ENGLISH, not Spanish, Lebanese, Arabic, Chinese, Japanese, Russian, or any other language. Therefore, if you wish to become part of our society, learn the language.

Most Americans believe in God. This is not some Christian, right wing, political push, but a fact, because Christian men and women, on Christian principles, founded this nation, and is clearly documented. It is certainly appropriate to display it on the walls of our schools.

If God offends you, then I suggest you consider another part of the world as your new home, because God is part of our "culture." We will accept your beliefs, and will not question why. All we ask is that you accept ours, and live in harmony and peaceful

enjoyment with us. This is OUR COUNTRY, OUR LAND, and OUR LIFESTYLE, and we will allow you every opportunity to enjoy all this.

But once you are done complaining and whining about Our Flag, Our Pledge, Our Christian beliefs, or Our Way of Life, I highly encourage you take advantage of one other great AMERICAN freedom,

"THE RIGHT TO LEAVE".

If you aren't happy here, then LEAVE. We didn't force you to come here. You asked to be here. So accept the country that accepted you.

NOTE:

IF we circulate this among ourselves, WE will find the courage to start speaking and voicing the same truths.

If you agree, please SEND THIS ON and as for those who disagree, move to a country that suits you and live there. "

THANK YOU! us
